

# PRAYER FOR PARENTS

God our Father,  
We thank you for the blessing of our children. Help them to grow in grace, knowledge, and love for You. As parents, give us the grace and courage needed to raise them in the faith, never forgetting our duty to be their first and best educators. You have given to our children the light of Christ, and you have entrusted that light to us. Help us to keep the flame of faith alive in our children, so they may always reflect the light of the Son. Through the power and grace of the Holy Spirit, make us saints Lord, no matter what the cost.  
Amen.

JOHN R. WOOD
